

## 2017 Rock-a-Bye Ball Sponsorship

March 28, 2017

Greetings!

Blessing House is Lorain County's first call for children in crisis. Now in our thirteenth year, Blessing House has comforted more than 1,241 children, 163 of those just last year; the youngest just two days old. They've come to us via counselors and caseworkers, parents and grandparents, and in the toughest of situations.

On Saturday, November 11, 2017 we will hold our annual fundraising gala, the Rock-a-Bye Ball, at Tom's Country Place in Avon, OH. This event draws approximately 300 friends and supporters of our mission and raises about 18% of our annual operating budget. All funds support children in Lorain County.

Our volunteers, Board of Directors, staff, and most importantly, the children we serve, would be most grateful if you help us by sponsoring this event. The need for safe havens like Blessing House is not going away, and we are asking for your partnership to ensure our continued care for children and families of Lorain County. We are committed to our mission, and with your assistance, can provide stability while encouraging emotional and intellectual growth for the next 1,000 children who walk through our doors.

Blessing House is committed to providing your organization with real value for your investment in us. Enclosed please find a list of the Rock-A-Bye Ball participation opportunities associated with this year's theme, Back to the 80s. If you prefer, customizable programs also are available.

We have included our contact information below and welcome you to reach out to us with any questions or comments.

Thank you in advance for your consideration and support of the children - past, present and future, who have found comfort in Blessing House.

Yours Truly,
